TECHNOLOGY GLOSSARY

Faus Precision Surface Technologies

Fausfloor® has pioneered numerous advances in laminate flooring, resulting in the most realistic designs and textures available in the industry. The chart below describes each technology, as well as our warranties.

The icons below can be found in the tab of each collection stating which technologies can be found in the collection. For technologies corresponding with each individual product please refer to the Product Specifications on the previous pages.

<p>JG</p>  <p><i>JointGuard®</i></p> <ul style="list-style-type: none"> • Easy to use glueless locking system • Installation is a snap – literally! • Built-in edge protection for a more durable floor 	<p>LS</p>  <p><i>LongStrip™</i></p> <ul style="list-style-type: none"> • Extension of InterPlank Design™ • Allows for random wood strip lengths up to 10 feet • Incredibly realistic 	<p>MG</p>  <p><i>MicroGrout Lines</i></p> <ul style="list-style-type: none"> • MicroGrout Lines™ are discreet grout lines that perfectly enhance the natural beauty of stone looks.
<p>EIR</p>  <p><i>Embossed In Register®</i></p> <ul style="list-style-type: none"> • Embosses surface texture precisely over underlying pattern • Creates an amazingly natural and authentic look 	<p>MDD</p>  <p><i>Multi-Direction Design®</i></p> <ul style="list-style-type: none"> • Complex random stone patterns in laminate for the first time. • Stone pattern continues uninterrupted across planks - N, S, E and W. • A fraction of the cost of real stone without the messy grout. 	<p>WP</p>  <p><i>Wide Plank System</i></p> <ul style="list-style-type: none"> • Our Wide Plank System is the only one of its kind, allowing for a variety of wood strip widths all within a consistent plank size. This allows for faster and more stable installation, with fewer joints, regardless of the width of the wood strips on each plank.
<p>MB</p>  <p><i>MicroBevel®</i></p> <ul style="list-style-type: none"> • Subtle indents between wood strips • Unparalleled depth and realism • Doesn't delaminate laminate surface like competitors 	<p>UC</p>  <p><i>UltraClarity</i></p> <ul style="list-style-type: none"> • Smooth, polished, glossy finish • Allows for pure, clear design and pattern definition 	<p>5 YEAR LIGHT COMMERCIAL LIMITED WARRANTY</p> <ul style="list-style-type: none"> • Five year warranty for light commercial applications.
<p>IP</p>  <p><i>InterPlank Design™</i></p> <ul style="list-style-type: none"> • Creates unbroken wood strips across seams • Prevents unsightly pattern repetition • Works regardless of which planks you put together 	<p>DF</p>  <p><i>DualFinish™</i></p> <ul style="list-style-type: none"> • Smooth, polished finish features Embossed-In-Register® through gloss variations • Contrasting looks enhance realism • Adds depth to surface 	<p>LIFETIME WARRANTY</p> <ul style="list-style-type: none"> • This warranty applies to our Cosmopolitan™, Masterpieces® and Really Exotic™ collections.

Attached Comfort Underlayment

Cosmopolitan™, Really Exotic™ and Masterpieces® products all have pre-attached comfort underlayment. This saves time and money during installation, and makes for a quieter, more comfortable floor.

*Attached Underlayment
100% Recycled*

- Underlayment standard on all collections except Classic American™ Collection.
- Excellent sound isolation.
- Made from environmentally friendly recycled materials.
- Eliminates time-consuming installation step.
- Pre-attached to save time and money.
